† Owens Corning Roofing strives to accurately reproduce photographs of shingles. Due to manufacturing variances, the limitations of the printing process and the variations in natur lighting, actual shingle colors and granule blends may vary from the photo. The pitch of y can also impact how a shingle looks on your home. We suggest that you view a roofing or several shingles to get a better idea of the actual color. To accurately judge your shin color choice, we recommend that you view it on an actual roof with a pitch similar to you roof prior to making your final selection. Color availability subject to change without noti your professional roofing contractor for samples of colors available in your area.

* See actual warranty for complete details, limitations and requirements.

** 40-Year Limited Warranty on commercial projects.

+ The amount of Triple Layer Protection® may vary on a shingle-to-shingle basis.
