PET APPLICATION

Owners of Harbor View units, and renters, may keep a household pet in their Harbor View unit provided authorization of the Association is obtained in advance.

The authorization may be revoked for failure to comply with the requirements of the Pets section of Harbor View Rules and Regulations or the requirements set forth below.

No more than two pets will be allowed within any single condominium unit. If the pet will be taken outside the unit, it must be kept on a leash at all times. Sanitary disposal of pet excrement being a requisite, the pet's owner or minder is responsible for clean up, not only on Harbor View land areas but also on adjacent properties and roads including medians.

Each pet must have a complete and continuing record of all shots and other procedures that are required for licensing. State law prohibits pets inside the pool areas. Compliance is required.
