ARTICLE III
MEMBERSHIP AND VOTING RIGHT IN THE ASSOCIATION

Section 1. General Purposes of Association. The Association is organized for the purpose of providing common services to the Owners; owning and maintaining landscaping and lighting on the Common Property; improving and adding to Common Property improvements and facilities; maintaining the drainage easements, Common Property surface water and/or stormwater management systems; providing enforcement of these covenants and restrictions; and engaging in activities for the mutual benefit of the Owners. In order to pay for these services, the Association will charge assessments against the Lots and their Owners. A Lot may be subject to lien for any unpaid assessments, but additionally each Owner is personally obligated for assessments coming due during the time such Owner owns the Lot. The functions of the Association shall be performed by a Board of Directors. Provisions relating to the Association and the Board of Directors are also contained in the Articles of Incorporation and By-Laws of the Association.

Section 2. Owner Membership. Every Owner of a platted Lot shall be a member of the Association upon acquiring title to the Lot. There shall be a one (1) time capital contribution fee equal three (3) months of regular assessments per Lot, payable to the Association by the new Owner at the time a Lot is conveyed to the new Owner. Membership shall be appurtenant to and may not be separated from ownership of any Lot. The capital contribution may be increased from year to year in the same manner and amount as annual assessments may be increased pursuant to the terms of this Declaration.

Section 3. Classification of Membership. The Homeowner's Association shall have one (1) class of voting membership:

Members shall be all Owners, and shall be entitled to one (1) vote for each Lot. When more than one (1) person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 4. Duties and Powers. The Association, acting through its Board of Directors, shall have all the powers conferred upon it by this Declaration, its Articles, Bylaws and otherwise available under the law. The Association shall have the duty to carry out all of the obligations placed upon it by this Declaration and for which it was created as set forth herein and in the Articles, including, but not limited to, the duty to maintain the Common Property, levy and collect Annual Assessments, Individual Assessments and Special Assessments, maintain such policies of insurance as the Board deems appropriate, pay bills, taxes and expenses related to the Common Property and Improvements thereon and Common Expenses.

Section 5. Board of Directors. The Association shall be governed by a Board of Directors as provided for in the Articles and Bylaws of the Association.

Section 6. Notices to Members. All notices, mailings and other documents provided or to be provided by the Association to Members shall be sent to each Member at the current address on file with the Association.

Section 7. General Matters. When reference is made in this Declaration, or in the Articles of Incorporation or Bylaws, or other relevant documents, to a majority or specific percentage of Members, such reference shall be deemed to be reference to a majority or specific percentage of the votes of Members, such reference shall be deemed to be reference to a majority or specific percentage of the votes of Members at a duly constituted meeting thereof (i.e., one for which proper notice has been given and at which a quorum exists) and not of the Members themselves or of their Lots. To the extent lawful, the foregoing sentence shall apply to, without limitation, the establishment of a quorum at any applicable meeting.

Section 8. Change of Membership. Change of membership in the Association shall be established by recording in the Public Records of Indian River County, Florida, a deed or other instrument conveying record fee title to any Lot and by the delivery to the Association of a copy of such recorded instrument. The Owner designated by such instrument shall, by his acceptance of such instrument, become a member of the Association, and the membership of the prior Owner shall be terminated. In the event that a copy of said instrument is not delivered to the Association, said Owner shall become a member, but shall not be entitled to voting privileges enjoyed by his predecessor in interest. The foregoing shall not, however, limit the Association's powers or privileges. The interest, if any, of a member in the funds and assets of the Association shall not be assigned, hypothecated or transferred in any manner except as an appurtenance to his Lot. Membership in the Association by all Owners shall be compulsory and shall continue, as to each Owner, until such time as such Owner transfers or conveys of record his interest in the Lot upon which his membership is based or until said interest is transferred or conveyed by operation of law, at which time the membership shall automatically be conferred upon the transferee. Membership shall be appurtenant to, run with, and shall not be separated from the Lot interest upon which membership is based.

Section 9. Membership Vote. Voting will be allowed by certified written mailed-in ballot on all issues that require a vote by the full Association. The maximum number of votes that may be cast is the sum of all votes held by qualified members, either present in person, or by written proxy at the time the vote is taken at a meeting, or by actual recorded ownership of platted Lots if by certified written ballot. The number of votes needed for a quorum on any vote in person or by certified written ballot of the Association shall be a minimum of thirty percent (30%) of the sum of all the votes held by qualified members, for any ballot to be valid. All matters to be voted on by the Association shall require a quorum and shall be decided by a majority of those votes cast by owners represented by the quorum. Voting shall also be permitted by general or limited proxy at any meeting of the Association.

Section 10. Voting Qualifications. To be qualified to vote, a member must be current in payment of all assessments and any liens which have been levied against that member or any Lot owned by that member as of the date of the vote.

The ACC shall be responsible to also enforce the Guidelines. (c) A quorum of the ACC shall consist of a majority of its members; it shall take the affirmative vote of a majority of the members at the meeting at which a quorum is present to approve or perform any action. The ACC shall keep written records of its actions. The ACC shall meet from time to time as necessary. In accordance with Florida Statute 617.0821(2025) as amended from time to time, the ACC may take action by unanimous written consent in lieu of a meeting of the committee.

(d) Right of Appeal. In the event plans or specifications submitted to the ACC in accordance with adopted guidelines and procedures are disapproved, the party seeking approval may appeal the decision of the ACC in writing to the Board. The written appeal must be received by the Board not more than thirty (30) days from the date of the ACC's written disapproval of the plans or specifications. The Board may reverse or modify the decision of the ACC by agreement of a majority of the Board members present at a Board meeting at which a quorum has been obtained. If the Board fails to rule on an appeal within forty-five (45) days of receipt of same, the appeal shall be deemed granted and the plans or specifications shall be deemed approved.

Section 2. Construction Plan Review.

(a) No Residence, dwelling, building or structure of any kind shall be constructed, erected, or altered on any Lot or in any part of the Subdivision, nor shall any exterior additions, changes or alterations therein be made until the plans and specifications showing the nature, kind, color, shape, height, materials, and location thereof shall have been first submitted to and approved by the ACC.

(b) Two (2) sets of construction plans and specifications shall be submitted to the ACC showing all intended construction and alterations on the subject Lot, including but not limited to site plan, tree survey, landscape plan, sidewalk construction, exterior elevations, paint colors, shingle samples, exterior materials samples, and other descriptions necessary to describe the project. An administrative fee in an amount established by the Board of Directors from time to time shall be paid to the Association by Members for processing the house plans, payable at the time of submission. Plans and specifications in regard to topography and finished grade elevation must also be submitted for approval by the ACC prior to the commencement of any excavation work or activity which will alter the existing topography of the Lot. The ACC shall notify the Owner, in writing, within thirty (30) days of receipt of all required evidence, of the ACC's approval or disapproval of any project. Said written notice may be signed by any one member of the ACC.

(c) The plans, specifications, and location of all contemplated construction shall be in accordance with the terms hereof and with all applicable codes and ordinances of the local governing agency issuing permits for construction or land alteration in effect at the time of such proposed construction or alteration. The ACC shall have the right, in its sole discretion based upon this Declaration, to approve or disapprove any Lot improvement, including but not limited to building,

fence, wall, screened enclosure, grading, floor elevation, drainage plan, mailbox, solar energy device, posts, antennas, fountains, decorative building features, landscaping plan, landscape device or object, yard decorations, or other improvement, whether as new construction or additions, modifications or alterations to Lots.

(d) In the event any required approvals are not obtained prior to commencement of improvements, or in the event improvements are made which vary from those approved, it shall be deemed that no approvals were given and that a violation and/or breach of this Declaration has occurred. A fine of up to two hundred fifty dollars (\$250.00) per occurrence or per day up to a maximum aggregate fine of ten thousand dollars (\$10,000.00) may be assessed against the Lot. In addition to fines, the Association may seek injunctive relief to require compliance with this Declaration which relief shall include court costs and attorney's fees including on appeal. Fines shall be subject to the procedural requirements set forth in this Declaration.

Section 3. Clearing. A site plan will be provided to the ACC showing the location of any structures, driveways, and sidewalks to be constructed and the landscape plan. All yard areas of a Lot shall be sodded or replanted with trees and shrubbery. If any unauthorized clearing takes place on any Lot or Common Property, restoration of said Lot or Common Property to their original condition must be made. The restoration plans as to location of plant material, size, and type must be submitted to the ACC for approval. If the Owner of any Lot (or his contractors, agents or invitees) that has been cleared without written authorization of the ACC fails to restore said Lot or Common Area damaged by the Owner (or his contractors, agents or invitees) within thirty (30) days of receipt of written notice from the ACC, then the ACC may make such restoration, the cost of which shall be a lien against the Lot and a debt of Owner which may be enforced in the same manner as enforcement of Assessments as set forth herein.

No Residence, garage, outbuilding, structure or appurtenance of any kind, including additions or substantial alterations thereto, shall be erected, placed or maintained on the Lot or any portion thereof that does not conform to the standards, requirements, prohibitions and provisions of this Declaration or applicable governmental regulations, as same may exist or be changed from time to time without the consent and written approval by the ACC. The terms “business”, “trade” and “professional or commercial activity” as used in this provision shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider’s family and for which the provider receives a fee, compensation or other form of consideration, regardless of whether: (i) such activity is engaged in full or part-time; (ii) such activity is intended to or does generate a profit; or (iii) a license is required therefore.

Section 3. Dwelling Size. The ground floor of the Residence exclusive of any open porches, patios (enclosed or otherwise), breeze-ways and garages, shall not be less than 2200 square feet and a maximum of 3600 square feet. Each Residence shall have an enclosed garage for a minimum of two (2) cars. No carports shall be permitted.

For the purpose of this covenant, eaves, concrete slabs, steps and open porches shall not be considered as a part of the building; provided, however, that this shall not be constructed to permit any portion of a building on a Lot to encroach upon another Lot or easement. If there is any conflict between this covenant and zoning regulations of the proper governing authority said zoning regulations shall apply.

Section 5. Single Family Residential Use. For purposes of this provision, “family” shall be defined as a person or persons who are related by blood, adoption or marriage.

Section 6. Subdivision. No Lot shall be subdivided or split by any means what so ever into any greater number of residential Lots or into any residential plat or plats of smaller size.

Section 7. Occupancy Before Completion. No Residence, building or structure upon any Lot or Property shall be occupied until the same is approved for by such governmental agency which is responsible for regulation of building construction and until it complies with the terms and provisions of these covenants and restrictions. Upon completion, the ACC shall inspect the Lot and improvements and issue a certificate of compliance acknowledging that said terms and provisions have been met or itemizing any non-compliance. The certificate of compliance shall be delivered to the Owner upon the transfer of title or prior to occupancy.

Section 8. Alteration; Exterior Appearances, Structural Modifications. No alterations, changes, modifications, additions or improvements of any kind shall be made to the exterior of any Residence or upon any Lot or Common Property without the express written consent of the ACC as provided for in this Declaration. Any consent by the ACC to any improvement to be made on any Lot or on the exterior of any Residence, or to anything to be placed thereon, may be withheld purely on aesthetic grounds, in the sole discretion of the ACC. No structural modifications, exterior alterations, or additions of any kind shall be made to a Lot or Residence without the prior written consent of the ACC.

Section 9. Maintenance and Repair. All improvements placed or maintained on a Lot shall at all times be maintained in good condition and repair by the Owner. As it relates to motor vehicle maintenance, only well-maintained passenger vehicles bearing current license and registration tags as required by state law shall be permitted on the Property, unless stored in the garage of the Residence.

No maintenance, repair or storage of any motor vehicle shall be permitted on any Lot or Common Property, with the exception within the garage of the Residence. No motor vehicle shall be placed upon blocks, jacks, or similar device upon any Lot or Common Property.

Section 11. Temporary Structures. No tent, shack, trailer, house trailer, garage, or other space shall at any time be used on any Lot as a Residence temporarily or permanently. Section 12. Ground Maintenance.

(a) Grass, hedges, shrubs, vines, trees, and mass plantings of any type on each Lot shall be kept trimmed and shall at regular intervals be mowed, trimmed and cut so as to maintain the same in a neat and attractive manner. Trees, shrubs, vines and plants which die shall be promptly removed and replaced by the Owner. Replacement is required unless otherwise approved by the ACC. Replacement of trees, shrubs, vines and plants with the same plant does not require approval, however, all other replacements require approval of the ACC. Maintenance of the irrigation system, landscaping, trees, and bushes and cutting of the grass on a Lot shall be the responsibility of the Association as a Common Expense. For such maintenance purposes, the Association shall have an easement upon and the right to enter any Lot (excluding, however, the Residence) at a reasonable time and in a reasonable manner to conduct the maintenance duties imposed by this Section.

(b) No weeds, vegetation, rubbish, debris, garbage, objects, waste, or materials of any kind what so ever shall be placed or permitted to accumulate upon any portion of a Lot which would render it unsanitary, unsightly, offensive, or detrimental to the Subdivision or to the occupants of any property in the vicinity.

ARTICLE X
TRANSFERS OF LOTS

In order to preserve the values and amenities of Lily's Cay at Vero Beach, the following provisions shall be applicable to sales, leases and other transfers:

Section 1. Leases. Owners may lease their Residence pursuant to the Rules and Regulations and this Declaration. No Residence may be leased for a period of less than three (3) months nor may a Residence be leased more than two (2) times during any calendar year. All tenants and guests are required to comply with Lily's Cay at Vero Beach's Documents, and other obligations created by this Declaration. The Board reserves the right to limit the number of tenants or guests which may reside in a Residence, and the duration of guest stays, as the case may be. Owners leasing their Lots or Residences are required to provide the Association with a copy of the lease or the names and addresses of the landlord and the tenant that are contained in the lease or rental agreement. In order to maintain a community of congenial residents who are financially responsible and thus protect the value of the Property, no Owner may lease any Lot or building thereon without the prior written approval of the Association as provided hereinafter. A reasonable administrative fee, as determined by the Association, may be charged by the Association to the Owner in the event of a lease or lease application, for the purpose of defraying the cost associated with processing of the lease application for approval, reflecting the proposed lease in the books and records of the Association and other matters associated with any Board approved lease. If the required notice to the Association shall not be given, then at any time after receiving the knowledge of the lease or possession of the Lot or building thereon, the Association may, without notice, approve or disapprove of the lease. Appropriate grounds for disapproval of a lease shall include, but not be limited to, the prospective lessee or occupant has been connected of a felony for which civil rights have not been restored or the lease violates a provision of this Declaration or Rules and Regulations of the Association. Additionally, the Association may charge a reasonable estoppel fee in conjunction with the contract for the sale of a Lot.

Section 2. Entity Ownership. If the purchaser or lessee of a Lot is a corporation, trust or entity other than an individual person, the person who executes the lease or contract to purchase shall be the primary occupant of the Lot unless the purchaser or lessee designates otherwise. All other occupants shall be considered as either guests or lessees, as may be appropriate, who shall be subject to all use and occupancy restrictions provided in the Declaration, and in the rules and regulations of all governing associations. All such approvals shall be made on forms supplied by the Association.

Section 3. Notice of Conveyance. At any time an Owner conveys his Lot, he and the transferee shall be jointly obligated to notify the Association of the transferee's name, mailing address and date of transfer. A notice will be provided by the Association upon the transfer of any Lot providing the current written status of the Association dues.

Section 4. Certificate of Approval. In the case of a sale, if the proposed transfer is approved by the Association, such approval shall be evidenced by a Certificate of Approval, executed by the President, Vice President or Secretary of the Association, which Certificate shall be recorded in the Public Records of the County, at the expense of the Seller of the Lot.

ARTICLE XI
GENERAL PROVISIONS

Section 1. Severability and Interpretation. Invalidation of any of these covenants or restrictions by judgment or court order shall in no way affect any other provisions hereof, which shall remain in full force and effect. Should any conflict in interpretation arise between the provisions of this Declaration and of the Articles of Incorporation, the provisions of this Declaration shall prevail.

Section 2. Duration, Modification and Amendment. Except as the same may be changed, modified, or amended as provided for hereafter, the covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, at which time they shall be automatically extended for successive periods of ten (10) years, unless modified or terminated by a duly recorded written instrument executed in conformance with the requirements described below.

The covenants, agreements, conditions, reservations, restrictions, and charges created and established herein may be waived, abandoned, terminated, modified, altered, or changed upon notice to all members of the Association and with the approval of two-thirds (2/3) of the total membership vote. Any such proposed action must be initiated in the same manner as amendments to the By-Laws of the Association. No such waiver, abandonment, termination, modification or alteration shall become effective until a properly executed instrument in writing shall be recorded in the Public Records of Indian River County, Florida.

The foregoing notwithstanding, any amendments to the covenants and restrictions which alter the surface water or stormwater management system, beyond maintenance in its original condition, including the water management portion of the Common Property, must have the prior approval of the SJRWMD.

Section 3. Mortgage or Conveyance of Common Property. In addition to any approvals required of the SJRWMD, any subsequent mortgage or conveyance of a Common Property or any portion thereof shall require the approval of at least fifty (50%) percent of the total membership vote.

Section 4. Covenants Run with the Land. All restrictions, reservations, covenants, conditions and easements contained in this Declaration shall constitute covenants running with the land and all grantees, devisees or mortgages, their heirs, personal representatives, successors and assigns, and all parties claiming by, though or under such persons or entities, agree to be bound by the provisions of Lily's Cay at Vero Beach's Documents.

Section 5. Enforcement. Section 6. Effect of Waiver of Violation. The failure of any party to enforce any such covenants, restrictions or provision of this Declaration shall in no event be deemed a waiver of such covenant,

restriction or provision or of the right such party to thereafter enforce such covenant, restriction or provision.

Section 7. Expandable Association.

(a) Upon the recordation of this Declaration, the Association shall have as members all Owners of Lots in the Subdivision to which this Declaration has been made applicable, and said Lots shall be subject to the jurisdiction of the Association, the provisions of this Declaration, and the terms of the Articles of Incorporation and By-Laws of the Association, as amended from time to time.

Section 8. Rules and Regulations. The Board of Directors may, from time to time, adopt or amend previously adopted administrative Rules and Regulations governing the details of the use and maintenance of properties within the area in order to ensure compliance with the Architectural Review Guidelines as established pursuant to the Declaration. If any irreconcilable conflict should arise or exist with respect to the interpretation of the Bylaws, the Articles of Incorporation, or Declaration, the Articles of Incorporation and the Declaration shall prevail.

Section 9. Captions, Headings and Titles. Article, section and paragraph captions, headings and titled inserted throughout this Declaration are intended as a matter of convenience only and in no way shall such captions, headings and titles define, limit or in any way affect the subject matter or any of the terms and provisions thereunder nor the terms and provisions of this Declaration.

Section 10. Attorneys' Fees. The prevailing party in any litigation or dispute associated with Lily's Cay at Vero Beach's Documents shall be entitled to recover all costs thereof, including, without limitation, reasonable attorneys' fees, court costs, legal assistant time, expert witness fees, investigate fees, administrative fees, administrative costs, and all other expenses and charges billed by the attorney to the prevailing party even if not taxable court costs (including, without limitation, all such fees, costs and expenses incident to arbitration, mediation, appellate, bankruptcy, and post judgment proceedings incurred in any such action, proceeding or appeal, in addition to other relief to which the party or parties may be entitled) and whether or not suit is instituted.

This Amended and Restated Declaration of Covenants, Conditions and Restrictions for Lily's Cay at Vero Beach has been approved by approval of at least two-thirds (2/3) of the total membership.

C. EXPENSES. To the extent that a Director, Officer, employee or agent of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Paragraph A above, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys, fees and appellate attorneys fees) actually and reasonably incurred by him in connection therewith. Any costs or expenses incurred by the Association in implementing any of the provisions of this Article XII shall be fully assessable against Owners as Common Expenses of the Association.

D. ADVANCES. Expenses incurred in defending a civil or criminal action, suit or proceeding shall be paid by the Association in advance of the final disposition of such action, suit or proceeding, as provided hereinabove, by or on behalf of the affected Director, Officer, employee or agent, to prepay such amount unless it shall ultimately be determined that he is not entitled to be indemnified by the Association as authorized in this Article, in which event, the Indemnitee shall reimburse the Association for all attorneys' fees and costs advanced by it on behalf of the Indemnitee.

E. MISCELLANEOUS. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under bylaws, agreement, vote of Members, Florida law, or otherwise, and shall continue as to a person who has ceased to be a Director, Officer, employee or agent, and shall inure to the benefit of the heirs and personal representatives of such person.

whether or not the Association would have the power to indemnify him against such liability under the provisions of this Article.

D. Notwithstanding the provisions of this paragraph, an election and balloting are not required unless more candidates file notices of intent to run or are nominated than vacancies exist on the Board.

E. If two (2) or more candidates for the same position receive the same number of votes which would result in one (1) or more candidates not serving or serving a lesser term, the Association shall conduct a run off election in accordance with the following procedures:

(ii) The notice of the run-off election shall be mailed, electronically transmitted or personally delivered to the voters, by the Board within seven (7) days of the date of the election at which the tie vote occurred. The notice shall inform the voters of the date, time, and place of the run-off election and shall include a ballot and copies of any candidate's information sheets previously submitted by the run-off candidates. Meetings of the Board of Directors may be called by the President, and his absence, by the Vice President, or by a majority of the members of the Board of Directors, by giving not less than five (5) days notice, in writing by mail, electronic transmission or personal delivery, to all of the
